FOREWORD

WHAT IS A SENIOR?

A Senior — as he reaches the crossroad in his emotional, educational, and social life — stops to evaluate what he has accomplished while seeking knowledge. Having struggled through the years to maturity, a Senior seeks the awards that life offers.

A Senior contemplates success; yet he does more than this; he fixes his eyes on the stars. A Senior hopes to continue his search for understanding until he acquires his place among the men who have lived a full life.

What is a Senior? A Senior is Tomorrow; he is Tomorrow's failures, he is Tomorrow's successes.

And so, we present to you the promise of Tomorrow in the 1967 **Dardanian**.

DAIICHI DANSU

Last year's social season ended with the successful presentation of **Daiichi Dansu**, which emphasized Japanese customs and culture. The decor included Japanese lanterns, a fiery volcano, and geisha girls who served the refreshments.

A Buddha shrine was the setting for the crowning of Susan Menzies, who was chosen Prom Queen, with a regency court of Janet Keeley, Sylvia Kishir, Janet Evans and Geraldine Long.

COMMENCEMENT

In these past years we have encountered the inspirations, disappointments and realizations which will be our foundation for tomorrow.

We now stand before the school, laden with the memories and laurels of twelve years.

The end does not come without regrets, but there is too a tensing excitement about the future as we face life knowing that it is what we make it.

1. *Adaptation* [17]

A dark, irregularly shaped object, possibly a piece of wood or a small sculpture, resting on a surface with faint, illegible handwriting. The object has a rough, textured appearance and is positioned in the upper right quadrant of the image. The background is a light-colored surface with some faint, dark markings that appear to be handwriting or a map.

The guidance activities, under the direction of Mr. Robert R. Harner, are designed as a form of service to both students and teachers. The guidance program itself helps the student utilize all his resources in coping with life.

Mr. Harold E. Matthew

Mr. Harold E. Matthew, our Assistant High School Principal, aids Mr. Koenig in the educational planning and coordination of the various elements of school administration. Pupil control and attendance, extra curricular activities and student council are just some of his innumerable duties.

As Supervising Principal of the Tulpehocken Area Schools, Mr. Harry E. Ebling has a great many responsibilities. He manages the business and finances of the school district and assists in planning transportation routes. Mr. Ebling also is the overseer of all the faculty members and other members of the school district, aiding in its operation.

OUR FUTURE

The main purpose of the F.T.A. is to help prepare a student for the teaching profession. It aids in the explanation of the problems and difficulties along with the satisfactions of a teaching career. Each member, sometime during the year, is given a chance to teach or observe a class of his choice. In December the club invites college freshmen to share with the members of the organization the experiences they have encountered thus far in college life. The spring season is highlighted by a banquet, usually held in May, and a picnic, which takes place on the final day of school.

CULTIVATING TODAY FOR

The F.F.A. is an organization to help those boys who are studying vocational agriculture develop agricultural leadership, cooperation and citizenship.

In the past year, the boys were very active in local, county and state activities. They are encouraged to attend the Farm Show, participate in public speaking, parliamentary procedure contests, and to contend in judging contests where they can exhibit their animals.

The highlight of the year is the annual state F.F.A. convention which is held at the Pennsylvania State University. Here, all types of contests take place, the state's agricultural business is attended to and the new officers of the club are elected. Our F.F.A. chapter's president, Larry Crouse, was also chosen County President.

CONTINUES *ILIAD* TRADITION

Watch that art work, Mary

The *Iliad*, Tulpehocken High School's newspaper, is published monthly under the supervision of Miss Nancy Troutman and Mr. John Feaser. The staff which meets once a week is comprised of students from grades 9-12.

This year a new article, the Community Personality of the Month, was incorporated in an attempt to bind the school and communities immediately surrounding it, closer together. The *Iliad* also features an exchange column, which is utilized to gain a medium of understanding among the various schools.

Final instructions

The 1967 yearbook staff, under the watchful eyes of its advisors, has hopefully produced another award-winning **Dardanian**.

The arrival of the school year brought with it the hectic jobs of picture taking, organizing layouts, and struggling to meet deadlines. Anxious anticipation for the year books began upon the completion of the final deadline.

The 1967 **Dardanian** has not only pleased the students, who will pass it on to future generations, but it has also rewarded its proud producers.

The Library Club's main purpose is to assist the librarian. Its members do routine jobs, leaving Miss Gulko free for more important tasks, such as ordering books and the general organization of the library itself. The club has an imaginative initiation, and, at the end of the school year, a picnic, as a reward for the club's assistance.

The fire marshals under the direction of Mr. Harold Matthew control all fire drills. Two marshals are assigned to each station to control the extinguishers and check all rooms. All rooms must be empty, windows and doors closed, and blinds drawn in order to prevent glare and draft. After the school is completely vacated, a marshal reports to the administration. In case of a fire the marshal would then return to his station to operate the extinguishers and aid in fighting the fire.

BAND MARCHES THROUGH

ANOTHER SUCCESSFUL YEAR

The marching band is a very active part of our music department. The fall of each year brings with it many hours of diligent practice

The year's activity consisted of the band's attendance at the annual Pretzel Bowl game, held on October 23, and in November, the Kutztown Homecoming

May is also a very busy month for our band as they prepare for the various Memorial Day parades

On all occasions our band did a splendid job, and they deserve ample thanks for their efforts.

CONCERT BAND ATTRIBUTES SUCCESS TO

Following the summer months of the past season, the concert band, in preparation for the coming year, has been busy. The performance given by the concert band was held on April 11. Students from the School of Music and the Fort A, art appreciation of the concert band were the main results of the concert.

PRACTICE AND CREATIVITY

This segment of the music department is rarely functional. The main purpose of this fifteen piece band is to give its members experience and training in a more disciplined field of music.

The stage band, however, does meet periodically so that it may prepare selections for its performance the evening of the senior play and any other program in which it is asked to participate.

CHORUS PROVIDES VOCAL

Chorus membership is open to all members of the Sophomore Junior, and Senior classes having an avid interest in vocal music

The Spring and Christmas concerts are presented annually by the chorus. Auditions are held each year for the Eastern District Chorus. This year Deborah Reifsnyder was among those performing at Palmerton High School on January 5

Auditions, however, are not necessary for the County Senior Chorus, which was held December the eighth at Boyertown Junior High School. Tulpenhocken was represented by ten members of the Senior Chorus

Again this year the girls' hockey team, under the careful supervision of Miss Linda Edris, brought home the Western Division Championship. The season started out slowly with two ties and a loss; however, their teamwork quickly improved and the girls won their last three games. Scorers for the season were Etta Ebling, who scored six goals, and Donna Meyer, who tallied once.

Although only three varsity performers are returning next season, the junior varsity players show great potential and give all indications of the Trojanettes having another successful season.

Fight for that ball, team

Our soccer team has successfully won the Berks County Soccer Championship for the SIXTH straight season. Having lost only one game, the Trojans finished their season 7-1-2. After defeating Elco 3-0, the Trojans went on to vie for the District 3 Championship. They played Dover, to whom they lost 1-0, due to a second overtime goal.

Three Trojans were selected for the Berks County All Star Team—Gary Zellers, wing, who scored eleven points; Guy Sticker, goalie; and Harold Noll, fullback. Coach Paul Wentling was named Coach-of-the-Year by Berks County Soccer Officials.

The wrestlers of Tulpehocken, in the first season of non-league competition, have this year been successful in six of twelve starts. Victims of the Trojan matmen have been Conrad Weiser's, Elco's and Schuylkill Valley's J. V.'s. Next year's prospects are favorable as only Milford Hardick 7-0, Irvin Heffner 7-1, and Mike Brungart 1-0, will be lost. With the return of ten out of twelve starters, we are hopeful for a successful season, our first time in the Berks County Wrestling League.

REWARDING SEASON

Coached by Miss Edns, the girls' basketball team again competed for the Berks Western Division title. After opening their season with several unsuccessful bouts, the Trojannes gained experience and defeated Hamburg in a close (25-39) game. The junior varsity won six out of its seven games. This shows great promise for future years.

TENNIS BECOMES

Laura Bausman

This year the girls' tennis team, under the direction of Mrs. Harnly, highlighted its season with wins over Conrad Weiser and Annville Cleona.

The girls are taught not only the correct techniques of the game, but also good sportsmanship and etiquette on the courts. The girls again faced their greatest challenge in Hershey, which is one of the better teams in the area. Due to increased interest and knowledge of tennis, it is becoming a strong and growing sport at THS.

Since this was the newest sport at THS, the boys were not quite ready for the stiff competition and ability of the other league teams. Lack of experience and the inability to meet that of the competition proved to be the greatest handicaps.

TULPEHOCKEN'S JUNIOR

In the fall of every year the Berks County senior girls compete for the Junior Miss crown. Among the twenty contestants was Tulpehocken's entry, Clarissa Hollenbach. Each girl had to display her abilities in the fields of scholarship, youth fitness and in the creative and performing arts. In addition, there were personal interviews with the judges, who questioned each girl and graded her on poise and personality. All the girls agree that it is a very rewarding experience.

On November 10, 1966, the annual Student Council Workshop was held for the first time at Tulpehocken High School. Two counties, Berks and Schuylkill, were represented with approximately four hundred students from twenty eight schools.

The purpose of this Workshop was to discuss any Student Council problems which arose in the year. To do this, each delegate was assigned to a discussion group where all problems were recorded.

The guest speaker of the meeting was Mr. "Chuck" Bisset who gave an excellent oratory on the social problems of teenagers.

"The Mouse That Roared", this year's senior play production is a two-act comedy adapted by Christopher Sergel and Leonard Wibberley from Wibberley's book

The play itself reveals what happens when a small nation, Grand Fenwick in this case, declares war on the United States, their prime objective being defeat in order that they might honorably sanction economic aid

Hilarity reaches its peak when the naive Tully Bascom returns home victorious. With the Q-bomb in its possession this seemingly defenseless country becomes the most powerful nation on earth

 A Friend

The seed is planted
By a trustful servant -
The seed needing attention and care

From crystal drops of rain
And warm rays of the sun
The seed sprouts to life -
A promising grain of wheat

The stem
A single
Exploring
Reaching

matures,
golden stalk
the unknown,
for a future

The stalk
Now
And a
Leaves
And

of wheat
Sways in the breeze
Whisper of the wind
The polished grain -
Blows the chaff away

- Robt Hartz -
